

Capturing the Color

September 2 - October 27, 2022
The Center at Belvedere, Charlottesville VA

The MidAtlantic Pastel Society (MAPS) is sponsoring our Fall 2022 judged exhibit, "Capturing the Color," at the Center at Belvedere, 540 Belvedere Boulevard, Charlottesville, VA 22901 from September 2 through October 27. This is a new venue for MAPS and will be an exciting opportunity to show off our pastel talents in the Charlottesville area. Cash prizes will be awarded as follows: \$300-1st Place, \$200-2nd Place, \$100-3rd Place, \$25 each-3 Honorable Mentions.

VENUE: The Center is a nationally accredited, award-winning nonprofit organization that creates opportunities for healthy aging through social engagement, physical well-being, civic involvement, creativity, and lifelong learning. Since opening in 1960, they have continued to grow and evolve to meet the changing needs of seniors, most recently adding a 47,000 square foot building, completed in March 2020 that was awarded an Interior Design Excellence Award. To find out more about the Center, visit their website at thecenterville.org.

REGISTRATION: To register for the fall exhibit, [click here](#). Each artist may enter up to two paintings. NFS (Not for Sale) paintings are allowed. Registration will open May 2 and close July 30 or when the gallery capacity of 50 paintings is reached. The registration fee is \$30 for the first painting and \$10 for the second painting. Payments may be made by check payable to MidAtlantic Pastel Society and mailed to Elizabeth Hood, 808 Dover Bluff Place, Manakin Sabot, VA 23103 or directed to midatlanticpastelsociety@gmail.com through Zelle (info on using Zelle may be found on the MAPS website in the [Members Only section](#) under Membership). You must be a paid MAPS member for the 2022-2023 year to exhibit. Dues for 2022-2023 are due June 1; see [Membership page](#).

REQUIREMENTS: All work must be primarily soft pastel and must be original (i.e., may not be work copied from another artist's painting, from published photographs or other copyrighted material). Work must be presented in a professional manner, wired and ready to hang appropriately for gallery presentation. No sawtooth hangers will be accepted. The back of the painting must contain artist's name, title of painting, size, and price. You may use your own labels, or the label that is included on the last page of this prospectus. The label can be stapled over the wire or taped to the painting's back.

Carefully review [MAPS' Exhibit Rules](#) on the MAPS website under Membership/For members only. These rules are new to the members. We will abide by the rules for this and all future exhibits, and paintings that do not meet these requirements will not be accepted.

THEME: This year's theme is "Capturing the Color," that elusive effect we all strive to achieve every time we pick up our pastels. The balancing of warm against cool colors and the drama of the lights and shadows is what brings excitement to our paintings. The subjects are open to any of your favorites - landscapes, still life, portrait, animals, or non-representational paintings. The Center reserves the right to refuse any artwork that they believe might be considered pornographic or offensive to viewers, being considerate of the religious and political differences of the clients of The Center. All sales are handled by the Center, and they charge a commission on sales of 10%.
